Wave Money Ties Up with FlyMya for Easy and Convenient Travel-related Payments *Strategic partnership brings secure payments anytime, anywhere*

28 November 2019, Yangon – The leading mobile financial service company in Myanmar, Wave Money has tied up with FlyMya.com, a leading platform for booking domestic airline tickets, tour packages and hotel rooms, to enable easy and secure travel payments. The Memorandum of Understanding signing ceremony between the two parties was held on 28 November 2019 at the Sule Shangri-La hotel in Yangon.

The strategic partnership introduces a mobile wallet option for travelers to enjoy FlyMya travel services through the WavePay application without incurring additional charges. WavePay users can quickly and more conveniently buy flight and bus tickets as well as enjoy tour activities, airport transfers, and car rental services through the FlyMya website.

“Wave Money is very pleased to partner with local tech start-ups like FlyMya which has an impressive growth among Myanmar’s tourism-related businesses. We strongly support businesses that are leveraging digital technology to improve lives and experiences. Moreover, Wave Money is excited to keep the momentum of digital payments which drives greater financial inclusion and payment flexibility for domestic and international travelers,” said Mr. Brad Jones, Wave Money CEO at the signing ceremony today.

FlyMya is 100% Myanmar-owned tech start-ups that serves a strong user base through its newly revamped one-stop shop for domestic bookings for flights and buses online to over 20 destinations, tour packages and visa applications. Launched in 2015, FlyMya offers a wide range of solutions to leisure and business traveler, as well as partially promote Myanmar as a must-visit hub on the traveler’s trail.

“Mobile wallet can provide easier and more secure payment for our customers, while at the same time solving problems faced by traditional payments in Myanmar. The partnership with Wave Money is a step to towards our goal to create a convenient, seamless and fully-digital travel service in Myanmar,” said Mike Than Tun Win, Chairman of FlyMya.

FlyMya allows travelers to compare flight schedules and fares of the country’s 5 domestic airlines and to make bookings with just a few clicks. FlyMya provides more comprehensive travel information and competitive prices, as well as it is onboarding offline tour operators on its site.

“Advances in technology like WavePay and FlyMya are driven by a desire to connect people around the world and to make our lives easier so that we can spend more time doing the things we love – like traveling,” Mike Than Tun Win added.
